STATEMENT OF COOPERATION

In making application for my child, it is my desire to have him or her complete the school year 2023-2024. It is my understanding that the policy of the school is to make **no refunds on registration or other fees**. I give Faith Outreach Academy permission for my child to take part in all school activities, including field trips, sports activities and school-sponsored trips away from the school premises. I release the school from liability to me or my child because of any injury to my child at school, in route to, or during school activity. I do, however, expect proper supervision of my child at all times. I have signed a Consent and Release Form. Should legal action, for any reason, be taken against Faith Outreach Academy or any employee or agent thereof on my child's behalf, and the school or its agent not be found at fault, I agree to pay any attorney fees, court fees, damages or any other costs that Faith Outreach Academy or its agents should incur to defend itself against such action. I confirm that I have carefully read the Consent and Release Form and know the contents thereof. I also understand that there may be pictures taken or videos of various events for publication in yearbook or possible television broadcasting. Payment dates will be strictly enforced; failure to comply may result in the suspension or dismissal of my child. Excessive tardiness, early releases or absences may lead to academic failure and ultimately dismissal. Negative actions and attitudes may result in dismissal. Faith Outreach Academy has the right to search students' lockers and belongings.

Violation of rules established in the handbook will be followed through with discipline in all cases. I have read the student handbook, and support the school's policies. Parents are required to attend all Parents - Teacher Meetings. Parents and students must adhere to the academy's dress policy. Parents must actively participate in volunteering and fund-raising. Misconduct or moral lapses in conduct of a student will be strictly disciplined to include dismissal. I understand that any misrepresentation on this application is grounds for dismissal from Faith Outreach Academy.

F.O.A. Attendance Policy

It is very important for parents to have their child/children to school on time every day. For students in K3 - 5th grade, school instruction begins at 8:00a.m., and for students in 6th - 12th grade, school instruction begins at 8:20a.m. A student is considered tardy when he/she arrives to school after these times. A student's tardiness will be excused for the following reasons with proper documentation: illness of the student, medical appointment, vehicle accident, severe weather, or a major family emergency. All other reasons are considered unexcused. The parent is responsible for notifying the school office of this information otherwise the student will be considered unexcused tardy.

Students in K5-12th grade will receive a zero in the subject that was missed due to being tardy on the fourth and subsequent unexcused tardies to class. Five unexcused tardies per quarter will disqualify students from attaining honor status and will receive grade reductions as applicable.

Parents are required to call the school office to notify if the child will be absent for the day from school. An absence is considered excused for the following reasons with proper documentation: illness or injury of the student; death in the family; illness in the family that requires the student to be with the family member; medical or dental appointments which could not be scheduled after school hours; court or administrative proceedings; religious observances; educational opportunity with proper advance notice; or pre-approved family trip with necessary form on file with school office at least one week in advance before trip. Other excused absences are at the sole discretion of the administration and are narrowly defined. Exceptions such as family emergencies will be evaluated on a case-by-case basis.

Students will have two days to complete all make up work missed during an excused absence. It is the student's responsibility to collect these assignments and schedule a time with the teacher to make up any tests, quizzes, etc. If a student is absent the day a test/quiz is given, the student will take the test/quiz on the day that he/she returns to school. If the student fails to do this, he/she will receive a zero for that test/quiz. In cases of lengthy absences due to illness, administration will determine a reasonable amount of time in which the students have to make up the work.

Absences which do not fall under any of the above-mentioned items will be considered unexcused. Work missed during an unexcused absence may not be made up for credit. A student will receive a zero on all work missed during an unexcused absence. Absences resulting from a student being suspended from school are unexcused.

Parents are responsible for notifying the Academy Office of any absence or tardy for his/her child and submitting the proper paperwork as required as soon as possible. I understand that I must follow the attendance policy of Faith Outreach Academy.
